

# Pago Peñuelas Tempranillo

## ***GOLD Medal Gilbert & Gaillardia International Challenge 2025***

Bright cherry, attractive and of medium depth. Pronounced intensity, dominated by aromas of fruit fresh reds (raspberry, red currant and red cherry), along with light notes of fresh black fruit (black plum). aromas to liquorice and hints of vanilla for its light stay in the barrel. Great intensity of fresh red fruit, which lasts for a long time on the palate, complemented by floral notes. A medium-bodied wine, very easy to taste and pair due to its fine but complex structure of primary flavours.
