

Pastoral 2022

Pastoral refers to the care and direction we exercise over old emblematic vineyards in Mendoza. Viticultural care at every stage of your vegetative cycle, as well as care against the progress of real estate developments. The Pastoral Estate in Las Compuertas it is also the first irrigator with water from the River Mendoza, with the symbolic value that this implies.

"A wine that combines the elegance of the varieties that make up part of it, with the power and intensity of fruit that is obtained in Argentina."

Federico Isgró, winemaker
